LAMAR STATE COLLEGE – PORT ARTHUR

Executive Summary

The City of Port Arthur Section 4A Economic Development Corporation ("PAEDC") Board has found that the training of construction workers for plant expansion is necessary to promote business enterprises moving to or expanding in Port Arthur, particularly new and expanded petrochemical industries. For that reason, PAEDC agrees to pay each Port Arthur resident, unemployed and underemployed, two hundred dollars (\$200.00) upon completion of the National Center for Construction Education and Research ("NCCER") Introductory Craft Skills Program ("the Program"). The maximum incentive funding by the PAEDC to the Training Grant Agreement shall be ten thousand dollars (\$10,000).

Lamar State College – Port Arthur ("Lamar") has a plan to enroll those unemployed and underemployed Port Arthur residents in the NCCER Introductory Craft Skills Program for training as construction workers for plant expansions. Lamar agrees to provide records sufficient to show successful completion of the Program for training grant incentives.
