Proposal/Contract

This Agreement is by and between ISI Commercial Refrigeration, LLC. (ISI) and (Buyer) as of the date shown below. Unless otherwise noted all merchandise shall be covered by the individual manufacturer's standard warranty. This Proposal/Contract does not include any special licenses, permits, or fees that may or may not be required. Buyer is responsible for obtaining any and all approvals and permits from the Health Department, Building Department, Fire Marshal, etc. All equipment is supplied with standard components and is ready for plumbing and electrical connections by other contractors.

Special ordered and not stocking equipment is not returnable. Cancellation of equipment in process of being built by the factory will result in a cancellation fee determined by the factory.

All quotations, terms and financial arrangements are subject to approval of the Credit Department of ISI. The Buyer grants to ISI a security interest in the items specified in this Proposal/Contract until such items have been fully paid for by the Buyer. Buyer hereby appoints ISI as Buyer's agent and grants ISI limited Power of Attorney for the purpose of executing any document necessary to perfect the security interest granted in this Proposal/Contract.

ISI is not responsible for wall blocking, running drains or making hard wire connections. All electrical and plumbing connections are the responsibility of other trades. All roof/wall penetrations and sealing are the responsibility of other trades. All plumbing connections, back flow preventers, pressure regulators and flushing of gas and water lines are the responsibility of other trades. All electrical connections including disconnects, shunt trip breakers, micro switches, motor starters, switches, etc., are excluded from this quote. Each piece of equipment has standard and optional equipment. Only the standard equipment is provided unless options are listed.

I understand, agree to, and accept the above terms and conditions.
